USRC Critique's

2006 Southeast Regional Sieger Show

Judge: Monika Blaha

9 months. Good size and substance. Nice head with dark brown eyes. Correct bite and pigment. Long neck. Deep and wide chest. Well angulated. Good marks and coat. Good top line with excellent movement.

2007 North Central Regional Sieger Show

Judge: Lucy Ang

17 months, scissor bite, correct size. Typey female head. Good stop. Should have a little more fill under the eyes. Broad back skull. Large ears, well set and carried. Dark brown eyes. Mouth pigment is mostly

dark. Very good chest development. Excellent top and underlines. Very good front and rear angulation. Very good coat with slight wave on the croup. Markings should be somewhat richer and more clearly defined on the face. Free movement.

2007 Southeast Regional Sieger Show

Judge: Alfredo Estrada

17 month female. Very good body substance. Good bone substance. Good head with wrinkles in front. Heavy high set well carried ears. Very good stop. Dark brown eyes. Strong muzzle. Scissors bite with pink in inner mouth. Front a little east and west. Lack of forechest. Very good top and underline and strong rear. Free movement. Very good front and rear angulation.
